# **Getting to Know Your Device**

## **1.Using in Wet Conditions**

Your device is water-resistant, which means it is rain-proof and splash-proof and can stand upto even the sweatiest workout. NOTE: Do not swim with your Smart

Bracelet. We also don't recommend showering with your wristband;

though the water won't hurt the device, wearing it 24/7 does not give your skin a chance to breathe. Whenever you get your bracelet wet, dry it thoroughly before putting it back on.

## **2. Using Quick View**

With Quick View you can check the time or the message from your phone on your Smart Bracelet without tapping. Just turn your wrist towards you and the time screen will appear for a few seconds.

## **3.Environmental Conditions**

Operating temperature: 14°F to 122°F (-10°C to 50°C)

Non-operating temperature: -4°F to 140°F (-20°C to 60°C)

**4.Size**  
Fits a wrist between 5.5 and 7.7 inches in circumference.

## **5.Disposal and Recycling**

Please kindly be aware that it is the consumer's responsibility to properly dispose and recycle Smart Bracelet and accompanying components. Do not dispose of Smart Bracelet with common household waste, the Smart Bracelet unit is considered electronic waste and

should be disposed of at your local electronic equipment collection facility.

For more information, please contact your local electronic equipment waste management authority or the retailer where you bought the product.
